

Introducing Door County Home Builders Association's

SHOWCASE DOOR COUNTY VIRTUAL HOME & GARDEN TOUR!

Projects can be submitted by Builders and Associate members. Builders *and* Associate members are eligible to submit projects from new home construction to landscaping and more. Entries are not limited to a new home build or remodel by a builder.

Projects will be featured for an entire year versus 1 or 2 weekends. Your project will be featured on the DCHBA website for 12 months after initial launch of your project.

Projects can be submitted on *your* timeline. You can submit your project when it is ready. Submissions will be accepted year-round.

Projects will be promoted using multiple avenues. A marketing plan is in place to promote you and the Tour to targeted markets for maximum exposure! This includes plans for a brand-new website for the Tour's initial launch!
